

PRESS RELEASE

INVESTEC CI LEAGUE

FINAL LINE-UPS

24 August 2011

BOTH the Investec CI League Final and Plate Final will feature a Guernsey and Jersey side on Saturday 27 August.

The Final will be played in Jersey this year and, the Plate Final in Guernsey.

Odey ORs will renew rivalry with Rathbones OV's having effectively fought out a final last year when the last league fixture saw the two sides meet in a 'winner takes all' game. That day Rathbones OV's were successful and thus are the current holders.

This year has seen the two sides once again stand out and a great final is in prospect. The Investec CI League trophy and medals will be presented after the game by Investec's Mark Renouf and members of the JCB.

In Guernsey PKF Wanderers will play Infrasoftware Walkovers SCF for the Plate Final having both come through fairly tight affairs in the Plate Semi Finals each defeating a team from the other island. Both are previous winners of the CI Club Championship and will look to this game to win some more silverware.

The trophy and medals will be awarded by the GCB at College Field after the game.

Stephen Henry, managing director of Investec Specialist Private Bank said, 'Investec has offices in Guernsey and Jersey and as part of our investment in the community we are keen to support events that have a presence in both islands. We are pleased that both the Investec Channel Islands' League final and the plate final will feature a Guernsey and Jersey team and look forward to seeing the results.'
